## JUNE 2022 NEWSLETTER

In last months newsletter I announced the addition of a new team, “The Love Team” that will be going in regularly to spend time with the women we serve. We currently have three women on that team and I am excited to see how it evolves. Our goal is to have someone from our team going to the transitional home weekly. One of the things the Love Team will do is bring vital “Life Principles” to the women. Most of the women we serve do not have basic life skills. It is our hope that in bringing some of these learning principles such as: **Motives, Morality, Attitude, Emotions, Proper Thinking, Parameters, Patience, Restraint, Temper, Forgiveness, Hard Work, Common Sense, Responsibility** and more that the women will be more equipped in the workplace and in their personal relationships. For more information on these principles visit the nonprofit LaRed. [LaRed @ www.lared.org](http://www.lared.org) is a wonderful resource that we are very thankful to be implementing in our program.

Meet One Of Our Outstanding Volunteers!

Lori Knight has been serving Project Safe Start for over a year. She assists our Clothing Closet Manager Kim Brink in not only sorting the clothing but organizing the Storage Unit Seasonally. It is a big task to keep the clothing constantly stocked, sorted and tidy. Lori always has a cheerful heart to serve and we are SO VERY THANKFUL for all that she does!!

**THANK YOU  
FOR VOLUNTEERING**

## A BIG SHOUT OUT TO HISCOX INSURANCE COMPANY!

Recently Hiscox Insurance had a social connectivity day to come together as a team due to working remote for almost two years. Kim Sullivan, one of our volunteer works for Hiscox. After presenting Project Safe Start to her co-workers, we were chosen as the organization to support on that day. The company offered a DOUBLE MATCH to those that contributed financially!!! Several employees also donated clothing and shoes!

**Thank you to all who helped make this possible!!**
